SEJOYNER JOY

P E N T E S T E R

ABOUT ME

A Cyber Security enthusiast and researcher, who tries to achieve the highest standard possible at any given risk. I'm interested in exploring and making tools, scripting and development, CTFs, Bug Hunting, Pentesting, Reverse Engineering, etc. A coffee addict who is looking forward towards a career in Cyber Security and development.

WORK EXPERIENCES

- **Cyber Security Analyst | ValueMentor**
- June 2022 - till date
- Security Analyst, Penetration tester

- **Cyber Security Analyst | Industrus Tech**
- Security Analyst, Penetration tester, Developer
- Sept 2021 - June 2022
- Trained 500+ students on web security

- **Security Researcher at Intigriti and many VDPs**
- Reported bugs and vulnerabilities in different platforms

- **IEEE Volunteer**
- Web Master, LINK Representative
- August 2018 - July 2022
- Active IEEE volunteer.
- Participated and organized many IEEE events.

ACHIEVEMENTS

- **Hall Of Fame**
United Nations, inflectra.com, Nokia
- **HackTheBox**
Got Rank: 300 all over the world. Got different badges.
- **HackerRank**
Got Rank: 1 all over the world in Python.
- **Intigriti**
Got Rank: 280 all over the world.

SKILLS AND HOBBIES
Pentesting
Web Security
Burp Suite
Linux
CTFs
Bug Hunting
Dorking
Development
Networking
Python, Bash
HTML, CSS, Bootstrap
JavaScript and ReactJS

EDUCATION

Sahrdaya College of Engineering and Technology
 - B.Tech | Computer Science
 - August 2018 - July 2022
 - Taking up specialization courses in cyber security to broaden skill set.

St. Joseph's EMHSS, Aloor
 - XII - Computer Science
          Enrolled since July 2016 to 2018

 - X -   Completed in June 2016
